Product Categories

Product Categories

PULSES & LEGUMES

A diverse selection of protein-rich lentils, peas, and chickpeas sourced for nutrition and versatility in global cuisines.

GRAINS & CEREALS

Essential staple grains including wheat, corn, soy, and barley, carefully selected for milling, baking, and feed-grade applications.

RICE

Premium varieties of aromatic and non-aromatic rice ideal for culinary exports, including Basmati, Sona Masoori, and more.

Product Categories

WHOLE & GROUND SPICES

Aromatic whole and powdered spices harvested from India’s finest farms, delivering bold flavor and natural color.

BLENDED & FUNCTIONAL SPICES

Custom spice blends and herbal powders crafted for wellness, authentic taste, and natural health benefits.

NATURAL & TRADITIONAL PRODUCTS

Culturally significant pantry staples like jaggery, tamarind, and coconut, processed for purity and shelf stability.

Product Categories

DRY FRUITS & NUTS

Premium-grade nuts and dried fruits packed with nutrients, perfect for snacking, cooking, and confectionery use.

EDIBLE OILS

Cold-pressed and refined oils made from mustard, groundnut, and palm for versatile cooking and export-grade quality.

BEVERAGES & INGREDIENTS

Export-ready coffee, tea, and cocoa beans sourced from top-growing regions for rich aroma and deep flavor profiles.

Product Categories

DAIRY

Long-life milk powders in skimmed and full cream forms, ideal for reconstitution and industrial food processing.

MEAT & POULTRY

Frozen poultry cuts processed under strict standards, ensuring consistent quality and freshness for global supply chains.

PLANT-BASED MEATS & PROTEIN

Plant based alternatives to meat and poultry, utilising quality ingredients ensuring satisfaction to meet rising global demands.
